

CLUBLAND PLAYScheme LIMITED

Inventory of all Toys, Materials, Equipment & Furniture

A general list of equipment or supporting photographs are kept at head office and updated annually. The purpose of which is for insurance and also to ensure that we have a selection of equipment and resources which meet the 16 different types of play therefore offering a rich and stimulating environment to play and learn within.

The lists and photographs are updated when new equipment or furniture is purchased or if anything is removed from the setting.
