

CLUBLAND PLAYScheme LIMITED

Inventory of all Toys, Materials, Equipment & Furniture

A general list of equipment or supporting photographs are kept at head office and updated annually. The purpose of which is for insurance and also to ensure that we have a selection of equipment and resources which meet the 16 different types of play therefore offering a rich and stimulating environment to play and learn within.

The lists and photographs are updated when new equipment or furniture is purchased or if anything is removed from the setting.

We also have a list of new equipment that was purchased as a result of a SACAARS assessment. This is kept at head office.
